NOTES

1. Please complete the form and return it by post, fax or email to the undernoted address
2. All Apprentices must be employed from the beginning of their training programme
3. PMST will be responsible for organising college training and monitoring apprentices
4. If you select a candidate yourself, please check with PMST that they are eligible for funding
5. Please note that an apprentice recruited without successfully meeting the Industry entry criteria* cannot be guaranteed funding

*The Industry entry criteria: The **mandatory** entry requirement for Plumbing and HVACR Apprenticeships Level 2 and 3 has been set by Industry as: Minimum GCSE grade **"C"** qualifications in Maths and English plus a total of **16 points** derived from all GCSE results. Visit our website for more details: www.pmst.co.uk.
